ABOUT US

RAJPOOT' is a famous family of sub-continent and ruled for decades. Our forefathers were very intelligent and hardworking people of their age. This legacy appeared in many fields and spread. We decided to keep our ability and intelligence to show in Medical/Health market.

Rajpoot Medical Care has been involved in business of manufacturing & supplying for Beauty, Surgical, Dental, & Veterinary instruments since 2009 to till and Continue. These

instruments are manufactured under supervision of specialized and well experienced behind Rajpoot Medical Care comprises of MBA and QMS Certified Professionals and hence is aware of the mindset of the international customers.

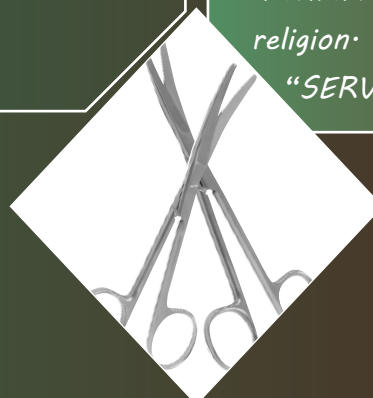

We always care for our customer's trust and confidentiality, as product comes on second

Mission

A man whether he is a Doctor or Engineer and Intellectual of his age must have his ideas to be successful in life. His ideas bring him to make a complete picture of his success through his ideas which convert into vision.

So, we as M/S RAJPOOT MEDICAL CARE, in medical field is a name to complete our vision through our success. Our main goal is to fulfill our customer's requirements and to share our ideas to meet the medical instruments as per end users demand. RAJPOOT MEDICAL CARE always keep searching the new developments in medical instruments with innovative ideas. Because, we look only health as top priority & save lives is our most important honest job.

Our business is on the basis of serving the humanity and keep the standard healthy life of each human through our products which are surely used in saving lives. That is why, we care of each human being living in the globe without discrimination of race, region, continent and religion. Where ever the human being lives "SERVE THE PEOPLE" is our motto.
